

# Catalyst's digital roadmap out of lockdown

This month as we emerge from pandemic we continue our work providing high-quality e-learning resources to help you be even better in 2021. Despite the social lockdown measures profoundly changing the way we work, educate and learn the way partners have adapted their practice has been inspirational.

Read latest report from UNICEF on their learning platform Agora. We have entered PIEoneer awards for September - our first face to face event! Catalyst are presenting at Moodle Moot with partners, University of Bolton. Come and talk to us virtually on May 10-12th.

## Agora Report 2020

Working together with UNICEF we launched a new version of the Agora platform, offering significant performance improvements, new features for course managers, administrators and learners.

233,644 learners used Agora in 2020 + 288% from 2019

189,071 course completions recorded on Agora +50% from 2019

280 new learning activities were published in the Agora catalogue, including 75 MOOCs offered by academic institutions.
